(D) He is important to do the job well.

四、 閱讀測驗（每題 2 分，共 24 分）

A. 阿公傳奇(題仔細閱讀短文，選擇適當的答案)：

In 2007, 11 grandfathers at age about 81 did something wonderful! They rode their motorbikes to travel around Taiwan in 13 days. Many old riders just wanted to show that they could still do it! Even foreigners came from the USA to ride with them, just to follow their ideas!

Because of their weak knees, many grandfathers have a hard time walking. Some grandfathers even have cancers, stomachaches, headaches, high blood pressure (高血壓), or listening problems. But “**these**” could never stop them from trying. So, they planned and prepared much medicine for their trip.

One grandfather even carried the picture of his dead wife with him. He did this because 20 years ago, he once promised(承諾) his wife to travel around Taiwan with her. But his wife died when he finally got enough money to buy a new motorbike. Because he missed her and never forgot his promise, he started to take this trip. Anyway, we may all learn a lesson from them: It is never too old to ride!

50. Why do the American riders want to travel around Taiwan with the grandfathers?
(A) Because they are still young and strong!
(B) Because they want to show that they have enough money.

～背面還有試題～

- (C) Because they want to make friends with foreigners.
- (D) Because they believe in the grandfathers' ideas and want to follow them.

51. What lesson do many people learn from the grandfathers?
- (A) Never forget your promises and never make promises because it is hard to keep them.
- (B) You need to make your dreams come true when you are still young.
- (C) You may not have much, but with a strong mind(心智), you can almost do anything.
- (D) You need to have enough money and time to travel around Taiwan.

52. What **CAN'T** be the meaning of the word "**these**"?
- (A) Their knees hurt! (B) Their blood pressure is high!
- (C) They have health problems! (D) Their minds are still strong.

53. Why did one grandfather bring the picture of his dead wife?
- (A) Because he wanted to keep his promise.
- (B) Because he missed her so much.
- (C) Because he wanted to travel around Taiwan with her.
- (D) All of the above(以上皆是).

B.

Do you know who Florentijn Hofman is? We all know the Rubber Duck, but we do not know who makes it. Florentijn Hofman is the man behind the Rubber Duck. He is a Dutch artist and he chooses everyday subjects, especially animals, as his works. Fat Monkey in Brazil and Big Yellow Rabbit in Sweden are his works, too. He thinks that their cute look and giant size can make people happy and think of their childhood. When Hofman goes around the world to make big animal art, he likes to make it locally. Many say his art makes it easier to start to talk with other people, so Hofman's art helps strangers to get close. His purpose is easy: to give people a break from their everyday lives, and make them smile. 【Dutch(荷蘭的) locally(在地化)purpose(目的)】

54. Who is Florentijn Hofman?
- (A) He is the Rubber Duck.
- (B) He is behind the Rubber Duck.
- (C) He is the maker of the Rubber Duck.
- (D) He is the Fat Monkey.

55. Which is true?
- (A) Hofman's works are small.
- (B) Hofman's works can make people look cute.
- (C) Hofman wants people to play with animals.
- (D) Hofman makes lots of animal arts around the world.

56. What is the purpose of Hofman's art?
- (A) To help strangers.
- (B) To make animal art locally.
- (C) To make people take a rest.
- (D) To make things easy.

C:

When French have dinner with you, you need to know this---it is a kind of etiquette to put your hands on the table when you are not eating. This rule came down from old times. Once some people wanted to attack the French King and they hid(藏) knives under the table. Thereafter, the King wanted everyone to keep their hands on the table. Now keeping hands on the table is a custom in France. Next time, you have dinner with your French friends, don't hide your hands under the table.

French(法國的)hereafter(之後)custom(風俗)France(法國)costume(服飾)

57. Which is the best title (標題) for the reading?
- (A) Taking a Trip to France
- (B) The History of a French Costume
- (C) Something about a French Custom
- (D) New French Table Manners

58. What does the word "etiquette" mean?
- (A) Good manners. (B) A king. (C) French friends. (D) French food.
59. Based on(根據) the reading, where did the people hide(藏) their knives when they tried to kill the king?
- (A) Under the table. (B) On the table.
- (C) On their heads. (D) In their pockets.

D:

In Japan, people say "**itadakimasu**" before eating and "**gochisosama**" after eating. When you eat out with friends, never talk about toilet during or before a meal. It is also bad manners to burp(打嗝). After eating, put all your dishes back to the same place they were at the start of the meal. When eating rice, you should hold the rice bowl in one hand and the chopsticks in the other one. Use your chopsticks when you eat noodles. Eating noodles loudly means you really like the meal. If the waiter gives you a spoon, use it to drink the soup or just hold the bowl to your mouth.

60. What does "**gochisosama**" mean in this reading ?
- (A) Thank you for your coming.
- (B) Thank you for the meal.
- (C) Thank you for your help.
- (D) Thank you for your time.

61. According to the reading, which picture means good etiquette in Japan ?
