Dear Mom and Dad,

I love it here! Eel’s Creek Summer Camp is so much fun! The camp is on Stony Lake. Every day, we go hiking, swimming, fishing, and at night there are lots of games too! Our camp leaders are all pretty young and cool. Tomorrow, we are going to hike up to a place called Crow’s Waterfall. Oh, the weather is so amazing! The days are hot, but not like Kaohsiung. The air here is so fresh that it smells like pine trees. Nights are cool, but a little noisy. Last night, the frogs and crickets kept me awake. Also, I think I heard a wolf.

This is just a quick note to let you know that I’m having a really great time here. We’re having a boat race later, gotta go! Wish me luck and take care!

Love you,
Nancy

“Thank you all for coming to this morning’s training class. As a new member of our team, there are a few things you need to know to help you become great toy makers. The first thing to remember is that in order to make a good toy, you will need to play with toys. You need to think like a child to make something that a child will want to have. The second thing to remember is to always pay attention to what the other toy companies are making. It is very important to understand what kinds of toys children are playing with these days. Watch movies, read comic books, and check out other toy stores. Finally, stay healthy and happy. Take care of yourself and write down every idea you have. You never know! An idea you think is silly may become a big hit! Okay, that’s it. Let’s get to work!
