【A】 The Letter to Teacher Sophie

Hi Teacher Sophie,

I have a problem with my homework. I have to do it in a group. It has to be finished this week, but Cyrus, the boy in our group, has done nothing helpful. He just keeps **rocking the boat**. Every time we talk about the work with him, he always says, "Do not worry. I will do it later." But he seldom (幾乎不) does his job. And when he does, he does it the wrong way. Someone in our group has to do it for him again. What's worse is that Cyrus always says that we others do not work hard enough. I am really mad (生氣) at Cyrus about **this**. We are in the same group. Shouldn't we help each other to do a better job?

Love,
Arial

Dear Arial,

It is important for students to learn how to work together in a group. Maybe you should talk to Cyrus about the problem and tell him you all need his help. If he still does not change, go to talk to your homeroom teacher. I believe she can make him do his job.

Love,
Teacher Sophie
