My friend Darren wants to be an actor. He is very talented, and he works hard. The problem is---he is too shy. When he has to speak in front of a lot of people, his face turns red. Since I am Darren's friend, and I want to be honest with him, I told him he should try to be more confident. However, his answer surprised me. He said that his star sign was Leo, so he was naturally confident and active.

"What are you talking about?" I asked him.

"I think you are only jealous of me !" replied Darren. "Besides being confident and active, I am also smart and cool. I'll become a movie star in Hollywood for sure," he said.

I didn't want to make him angry, so I just stayed quiet. But I thought to myself that perhaps he was right. He was like a Leo, especially when talking about himself. Sometimes, Darren is too proud!
