- (D) Blue is her favorite color.

32. Look at the pictures. Who is the writer Rina?

【C】 Bad Bad smartphone

Do you know iPhone? I believe you do. It is a very popular smartphone. Just like their parents, some children under three years old have a hard time putting down iPhone. They just keep using it. In America, many parents let their toddlers play with iPhone to keep them quiet. Some parents even believe it is a good way to help their young children learn. However, experts are worrying about its bad effects on children. For example, young children get angry when they can't use iPhone; some even cry or shout to get it. So parents need to think twice before letting their young children use smartphones.

keep 持續 even 甚至 however 然而 expert 專家 effect 影響

33. What does "a hard time putting down iPhone" mean?

- (A) iPhone is too heavy for children.
- (B) Children can't read with iPhone.
