# Pretty Ugly

*I'm very ugly  
 So don't try to convince me that  
 I am a very beautiful person  
 Because at the end of the day  
 I hate myself in every single way  
 And I'm not going to lie to myself by saying  
 There is beauty inside of me that matters  
 So I will remind myself  
 That I am a worthless, terrible person  
 And nothing you say will make me believe  
 I still deserve love  
 Because no matter what  
 I am not good enough to be loved  
 And I am in no position to believe that  
 Beauty does exist within me  
 Because whenever I look in the mirror I always think  
 Am I as ugly as people say?*

## Lakers Legend – Kobe Bryant

### DMHS News

2024/1/26

Today, Jan. 26, is basketball legend Kobe Bryant's third death anniversary. He died at the age of 41 in a helicopter crash in Calabasas, California. Totally nine people died in the accident, and no one was alive. Bryant's 13-year-old daughter, Gianna Bryant, was also killed. Bryant and his daughter were ready for a basketball game on that day. She was going to play in a game and Bryant was her coach.

Bryant played for 20 years with the Los Angeles Lakers and is thought of as one of the best basketball players of all time. He won five NBA championships and two Finals MVPs. He was also an 18-time All-Star. Before his retirement from the NBA, Kobe wrote a poem which was made into a movie that made him win the Best Animated Short Film at the Academy Awards (Oscars) in 2018. The following passages are picked from Kobe's poem.

<p><i>From the moment I started rolling my dad's tube socks And shooting unreal Game-winning shots In the Great Western Forum</i></p> <p><i>I knew one thing was real: I fell in love with you.</i></p> <p><i>And so I ran. I ran up and down every court. I played through the sweat and hurt Not because challenge called me But because YOU called me.</i></p>	<p><i>You gave a six-year-old boy his Laker dream And I'll always love you for it. But I can't love you crazily for much longer. This season is all I have left to give. My heart can take the pounding My mind can handle the grind But my body knows it's time to say goodbye.</i></p> <p><i>And we both know, no matter what I do next I'll always be that kid with the rolled up socks Garbage can in the corner 5 seconds on the clock Ball in my hands. 5 ... 4 ... 3 ... 2 ... 1 Love you always, Kobe</i></p>
